

TEAM BUILDING

RAID PULKA

Description

The team moves with snowshoes towards an unknown destination. To do so, it pulls one or more pulkas laden with equipment. This equipment will be needed to face the often unexpected that will punctuate the journey.

Objectives

- Taking care of oneself but also of others.
- Adapting one's pace so as to bring everyone together in this human adventure.
- Transforming difficulties in opportunities and trusting the team's resources.
