

TEAM BUILDING

RSE CLEAN CONTEST

Description

In the form of a competition involving orientation, research and challenges, the teams take part in cleaning up places dear to us. At the end of the various trials, the waste is listed and weighed to make out who the winning team is.

Objectives

- Joining forces towards a cause that makes sense.
- Sharing common values in a friendly atmosphere.
- Creating an emulation among the teams whilst increasing both individual and the team's self-esteem.
